Four items we need to complete your personalized wrap-around cover

- 1. Your logo.** We'll require a clean, print-resolution version of your organization's logo. Print resolution is minimum 300dpi. The wrap will be printed in one color (black) only.
Acceptable file formats: .PDF, .EPS, .AI, .TIFF, .PSD, .BMP
Please Note: The logo used on your website is not adequate for print use. We can accept .jpg or .png files only if they are print resolution, not web resolution.
- 2. Your greeting letter** for the inside front cover.
 .TXT, .RTF, or MS Word. No formatting, maximum 300 words.
- 3. A graphic of your signature** for your greeting letter. If you want your letter to be signed personally. (see #1 for acceptable formats)
- 4. Your ad or photos** for your ministry/facility. You may produce a full-page ad and send it to us, or simply send us 1 to 4 photos, and we'll produce the ad for you.

If you produce your own ad:

The page is 5.325" x 8.5" - do not place any words any closer to any edge than 1/2"
 So "live area" is 4.325" x 7.5" (see #1 for acceptable formats)

If you send photos:

Send 1 to 4 photos and we'll create an ad for you with your images and logo, similar to example shown. For best results, photos should be at least 1600 pixels wide. Photos taken from your website are not adequate quality for print.
